

#### HOW CAN WE BE INVOLVED?

**PRAY** - We are grateful for the many people who pray for us. It has been wonderful to see God answering our prayers over the years. Please pray for every child and young person who will participate in this year's camps. Pray for the leadership team and everyone who will help on the camps to be instrumental in showing God's love.

**GIVE** - God has used your generosity to help us run these camps. Campers pay over one-third of the costs themselves. The rest of the money comes through sponsorship from Russia and abroad.

**COME** - By God's grace, we hope that our camps will continue for many years to come and that we will be able to expand our ministry. If you are interested in partnering with us in the future by helping with a camp or bringing a small team, please let us know.

# PUSHKIN SUMMER CAMPS CARPE DIEM

THE ADVENTURE CONTINUES...

## JOIN IN THE JOURNEY!

*“ We will tell the next generation the praiseworthy deeds of the Lord, His power, and the wonders he has done”.*

*Psalm 78:4*

# Time Machine

The 11-15's camp will take place from 3rd - 10th July. The campers will travel through time to various eras in history and to the future. They will then be encouraged to look at their present and “seize the day”, by making the most of opportunities that God gives them.

The second camp (31st July - 7th August) for older youth is in a wilder and more challenging environment giving people the chance to live close to nature and develop their team-building skills. The program includes plenty of time for discussions about important life-issues which we believe, will challenge the campers to make life-changing decisions.

## GREAT FUN!

Our camps include exciting activities such as rafting, boating, orienteering and swimming as well as the opportunity to learn about Christianity through group discussions, an evening program and from seeing what it means to be a Christian through the lives of the staff and helpers.

## GLOBAL FAMILY

Over the years we have been blessed by small teams from overseas who come to help us run our camps. This is an excellent experience for Christians to take part in short- term missions and a huge encouragement to the local leaders here in Pushkin.

## ON-GOING MISSION

We believe that good camps need good follow-up and that camps should be part of on-going work. Last year we ran an Alpha course for older young people and we also have monthly camp reunions.

## WE ARE FIVE YEARS OLD!

We are a group of Christians based in Pushkin, St Petersburg. We've been running camps since summer 2005. We are very excited that we finally have a name for our camps. It is..

# Carpe Diem

(Seize the Day!)

The camps are led by a team of Russian Christians. This year, one of our priorities is to train three young Christian leaders who will be able to take part in developing and expanding the camp ministry in future years.

We pray that our camps will grow in the future to include camps for other age groups and sports camps.
